

SPECIFICATIONS

MAXSUN Terminator B650M (Wi-Fi 6) DDR5 AMD Motherboard #MS-Terminator B650M WIFI6

Regular Price 23,650

Special Price 21,800

ID: 02.02.970.19

General

|            |                                   |
|------------|-----------------------------------|
| Brand      | Maxsun                            |
| Model      | Maxsun Terminator B650M (Wi-Fi 6) |
| Body Color | Black & Silver                    |
| Part No    | MS-Terminator B650M WIFI6         |

CPU

|                    |                                                          |
|--------------------|----------------------------------------------------------|
| Chipset Brand      | AMD                                                      |
| Chipset            | AMD B650                                                 |
| Sockets Supported  | AM5                                                      |
| Built-in Processor | No                                                       |
| Supported CPU      | Ryzen 7000, Ryzen 8000, and Ryzen 9000 series processors |
| Generation         | Not Applicable                                           |

Memory Support

|                       |                                                                  |
|-----------------------|------------------------------------------------------------------|
| Memory Type           | DDR5                                                             |
| Memory MHz            | Supports 4000MHz/ 4400MHz/ 4800MHz/ 5200MHz/ OC Memory Frequency |
| Memory Channel        | Dual                                                             |
| Memory Slot           | 4                                                                |
| Memory Max.           | 128GB                                                            |
| Optane Memory Support | No                                                               |

Storage

|                                |                                                                     |
|--------------------------------|---------------------------------------------------------------------|
| Storage Interface              | 6.0Gb/s                                                             |
| M.2/SSD Expansion Slot         | 1                                                                   |
| M.2/SSD Expansion Slot Details | 1 x M.2, Support PCIe 4.0, (PCIe X4/X2 2280/22110 channel SSD only) |

|                  |             |
|------------------|-------------|
| M.2/SSD Slot Gen | Up to Gen 4 |
|------------------|-------------|

#### Graphics

|                   |                                                             |
|-------------------|-------------------------------------------------------------|
| Graphics          | Integrated                                                  |
| Graphics Chipset  | Integrated With Processor                                   |
| Multi-GPU Support | No                                                          |
| PCI Express Slot  | 1 slot PCIe 4.0 x16, 1 slot PCIe 4.0 x4, 1 slot PCIe 3.0 x1 |

#### Audio & Video

|               |                      |
|---------------|----------------------|
| Audio Chipset | Realtek ALC897 codec |
|---------------|----------------------|

#### Network & Connectivity

|                 |                                |
|-----------------|--------------------------------|
| LAN Chipset     | Realtek RTL8125BG Network Card |
| WiFi            | Yes                            |
| WiFi Technology | WIFI 6                         |

#### Ports

|                  |                                                                         |
|------------------|-------------------------------------------------------------------------|
| USB Port         | 4 x USB 3.2 Gen1 Ports, 4 x USB 2.0 Ports, 1 x USB Type-C (10Gbps) Port |
| VGA Port         | No                                                                      |
| DVI Port         | No                                                                      |
| HDMI Port        | 1                                                                       |
| DisplayPort (DP) | 1                                                                       |
| SATA Port        | 4                                                                       |
| Thunderbolt      | No                                                                      |
| COM Port         | 1                                                                       |

#### Technical Info

|                     |    |
|---------------------|----|
| Back-Connect Design | No |
