Feature

Palm Rejection Design: Place your hand freely on the iPad screen and write without raising your wrist. The stylus pencil is equipped with an intelligent control chip, and the signal transmission is stable without delay. The iPad Pencil is very sensitive to pressure and tilt. Different inclination angles result in different line thicknesses, restoring the real writing experience. 1.6mm thin nib, easy to write notes and draw details. USB-C Fast Charging: Charging for 1.5h, and get up to 8-10 hours of use. You can place your hand freely on the iPad screen and write without raising your wrist. The stylus pencil is equipped with an intelligent control chip, and the signal transmission is stable without delay.
