

## SPECIFICATIONS

### ZKTeco M2-LR Fingerprint Black Time Attendance & Access Control Terminal with Wi-Fi

Regular Price 12,480

Special Price 11,500

ID: 127.06.691.198

#### General

|       |                |
|-------|----------------|
| Brand | Zkteco         |
| Model | ZKTeco M2-LR   |
| Type  | Access Control |

#### Technical Info

|                     |                                                                                                                                                                                                                                    |
|---------------------|------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Function            | Fingerprint, Card, Password                                                                                                                                                                                                        |
| Standard Function   | ADMS, DST, Photo Capture, Event Photo Capture, Up to 14-digit User ID, Record Query, Schedule Bell, Tamper Switch Alarm, Automatic Status Switch, Multiple Authentication Methods, HTTPs / SSH Backend Access, T9 Keyboard (Input) |
| Optional Function   | IC Card, Backup Battery                                                                                                                                                                                                            |
| Time Attendance     | Yes                                                                                                                                                                                                                                |
| Display             | Yes                                                                                                                                                                                                                                |
| Display Size (Inch) | 2.8                                                                                                                                                                                                                                |
| Display Details     | 2.8 inch TFT Color LCD Screen (320x240)                                                                                                                                                                                            |

#### Main Features

|                       |                   |
|-----------------------|-------------------|
| Fingerprint Sensor    | ZK Optical Sensor |
| Camera                | No                |
| Face Detection Camera | No                |
| Verification Speed    | -1 Sec.           |
| Fingerprint Capacity  | 3000              |
| RF Card Capacity      | 3000              |
| Face Capacity         | No                |

## Interface

|                          |                                                                    |
|--------------------------|--------------------------------------------------------------------|
| Interface(s)             | USB Type A, TCP/IP, Wi-Fi, Electric Lock, Door Sensor, Exit Button |
| Communication Interface  | USB Type A, TCP/IP, Wi-Fi, Electric Lock, Door Sensor, Exit Button |
| Access Control Interface | Electric Lock, Door Sensor, Exit Button                            |
| AUX Input                | No                                                                 |

## Software

|                   |                                                                                               |
|-------------------|-----------------------------------------------------------------------------------------------|
| Algorithm Version | ZKFingerprint V13.0                                                                           |
| SDL/Software      | On-Premise Software: ZKBio Time, Mobile App.: ZKBio Zlink, Cloud-based Software: ZKBio Zlink. |
| Authentication    | Fingerprint, Card                                                                             |
| Operating System  | Linux                                                                                         |

## Power Info

|                       |                                |
|-----------------------|--------------------------------|
| Power Supply          | DC 12V 3A                      |
| Power Adapter         | Included                       |
| Battery.              | No                             |
| Operating Temperature | -5 to 45 degree                |
| Operating Humidity    | 10% to 90% RH (Non-condensing) |

## Physical Description

|                                       |                  |
|---------------------------------------|------------------|
| Dimensions                            | 154 x 138 x 34mm |
| Weight (Kg)                           | 0.40 kg          |
| Color                                 | Black            |
| Additional Accessories (Not Included) | Backup Battery   |

## Warranty

|                  |                          |
|------------------|--------------------------|
| Warranty Details | 1 Year (Without Adapter) |
|------------------|--------------------------|
